SECOND AND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, VA 22313-1450

S I R :

This supplements the INFORMATION DISCLOSURE STATEMENT filed on June 3, 2005 in the above-identified national phase application based on PCT/JP03/15445. Because priority is claimed under 35 USC 120 copies were not required. However, English language ABSTRACTS were supplied for the Japanese publications listed on form PTO/SB/08A filed June 3, 2005. We now enclose copies of the references listed on form PTO/SB/08B for the convenience of the Examiner.

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper to Account No. 06-1378.

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said International Search Report and for the reasons stated in said communication.

This IDS is being filed within three months of the filing date of this application. Furthermore, a first action on the merits has not yet been received in this application. Therefore, no fee is required. However, if it is determined that a fee is required, authorization is given to charge any additional fees to Deposit Account No. 06-1378.

It is requested that the publications be considered with respect to the patentability of the present invention and that an initialed copy of the enclosed Form PTO/SB/08B be returned to applicants to indicate that such publications have been considered and made "of record."
